[ INTERNSHIP NAME ]

Dear Hiring Committee,

My name is Maria Tanaka, and I'm a full-time student at Kapiolani Community College. I am part of the New Media Arts in the process of becoming a professional graphic designer in the future.

I am writing to apply for the intern position posted in \_\_\_\_\_. I believe that joining your team is an excellent opportunity to use my prior knowledge and skills in typography, graphic design, motion graphics, UI/UX design, and the fundamentals of front-end web development to succeed in your project. I feel that you and your company share a similar passion for creating the most impactful proposals for any client.

By joining your company, I'll be able to gain more experience and learn more about design standards. I'm hoping that this experience will allow me to grow not only as a graphic designer but as a person.

I have included my resume and look forward to speaking with you in detail about the position.

Thank you for your time and consideration.

Sincerely,  
Maria Tanaka
